

Project Profile

Residential Development at 120 -128 North Street, Bedminster

Client : **Freemantle Estates Ltd**
Value : **£850k**
Our Role: **Principal Contractor**

The construction of 20 contemporary one bedroom apartments in three and four-storey blocks to create “North Corner Apartments”, *as illustrated below*.

Following the demolition of an existing small single-storey building, areas of the land were identified as being contaminated and arisings were subsequently retained and sealed under proposed surfacings.

Current work activities consist of the construction of concrete pads, reinforced ground beams, a partial steel frame, masonry walls and a ground bearing slab at ground floor level with pre-cast concrete planks being used for all other floors. The building will be completed by a timber roof structure to support both tile and flat roof coverings.

A high standard of finishing will be provided, throughout the development, *as illustrated right*.
